To whom it may concern:

It is with great pleasure that I write this endorsement on behalf of United GLI. As a new superintendent to Oakmont Country Club, I inherited the work originally performed by United back in 2009. This included the complete renovation of the irrigation system, the rebuilding of tees and bunkers, partial rebuilding of greens and the remodeling of landscape areas to accommodate the Clubs foresight and Architectural planning. Their work was so highly regarded by our members that I felt their legacy might be somewhat elaborated or perhaps even exaggerated. After working with them this past winter I am happy to say it was not.

United continued their legacy at Oakmont by providing a 26 acre turf reduction that extended the original landscape remodel back in 2009. Their creativeness and attention to detail was immediately evident and within a very short period of time the club, along with myself, knew we were in good hands and had once again selected the right company to perform this extensive scope of work.

United completed this major renovation on time, on budget and with the utmost appreciation from our Board, our Members and myself. They proved their ability to “get it done” and did it harmoniously and with great consideration for all. I am glad to say their legacy lives on here at Oakmont and that we are happy to acknowledge them as the exceptional company they are.

Sincerely,

Kurt Desiderio
