

Del Webb™

To whom it may concern,

It is with great pleasure I write this letter in recommendation of Tony Cunzio and United GLI, Inc.

Over the past 6 years Pulte / Del Webb, has worked closely with United GLI on multiple projects ranging from simple landscape installations to complex golf course construction projects. Regardless of project size, United acts as a team member providing instrumental guidance, professional liaison and high quality construction services.

United originally came to us as a sub contractor with another major Golf Builder. It became quickly obvious who was willing to work the demanding hours required in our fast paced community developments. In addition, the output of their work was done with care, consideration and quality equal to that of our very best trade contractors. As a result of their hard work in 2006 they were awarded Pulte's Southern California Division **Trade Partner of the Year**. They were also escalated to a prime contractor and as of today are actively involved in a large majority of land development contracts which includes golf construction and community development alike.

United has worked with us on several major Golf projects including Ashwood Golf Course in Apple Valley, CA., Oak Valley Golf Club in Beaumont, CA., and our most successful and on-going project at Shadow Hills in Indio, CA. Collectively, they have completed over 27 holes of renovation services, 36 holes of new construction services and a host of other non golf services related to these projects. I can honestly say they have continually met or exceeded our expectations and that we have benefited greatly as a result of their participation.

We are happy to have United as one of our primary contractors and look forward to their involvement on many more projects to come. We strongly recommend their services without hesitation. Please feel free to contact me at (951) 258-6001, if you have any questions or need additional information.

Sincerely,

A handwritten signature in blue ink, appearing to read "Robert Paradise".

Robert Paradise

Land Development Manager
